What is included in the rental price?

This price includes installation and takedown of the tent for your event, which may fall over one weekend. When your event is on a weekend, we could install the tent on Thursday or Friday so you have plenty of time to decorate. We can also take the tent down on Monday or Tuesday, allowing you plenty of time for cleanup. Detachable sidewalls are included but not installed.

What are the payment arrangements?

A signed contract and a deposit of 25% are required on all rentals. The reservation is not made until both are received. The balance due is required at the time or before setup.

What if I need the tent set up outside a 20-mile radius of Baraboo?

| An additional charge 21-50 miles: | | An additional charge 51-75 miles | |
|-----------------------------------|-----------------------|----------------------------------|-----------------------|
| \$35.00 | 20 x 20 thru 30 x 45 | \$60.00 | 20 x 20 thru 30 x 45 |
| \$75.00 | 30 x 60 thru 40 x 120 | \$100.00 | 30 x 60 thru 40 x 120 |
| \$100.00 | 60 x 40 thru 60 x 130 | \$135.00 | 60 x 40 thru 60 x 130 |

What if I am unable to have the tent set up on a weekday?

There is an additional 15% up charge (\$50 minimum) per set up or take down on a Saturday or Sunday or holiday.

How do I know if my area is suitable for installing a tent?

First add 10 ft to both the length and width of the tent to allow for stakes. Then pace off your area in both directions to see if you have room. The tent will look and perform better if it is on a flat, level surface. Be sure to let us know if the tent will be installed on grass, gravel or asphalt.

YOU MUST CONTACT DIGGERS HOTLINE!!!

Be certain the space you choose has no underground cables or water lines. They require several days notice (5-7 working days) to perform this. It is a free service so, please plan ahead.

1-800-242-8511 or 811 or www.diggershotline.com

How responsible am I for the condition and safety of the tent?

During the rental period, you are responsible for the tent's physical condition and safe use. You are not responsible for acts of God, which may threaten the tent.

What do I do when I'm done with the tent?

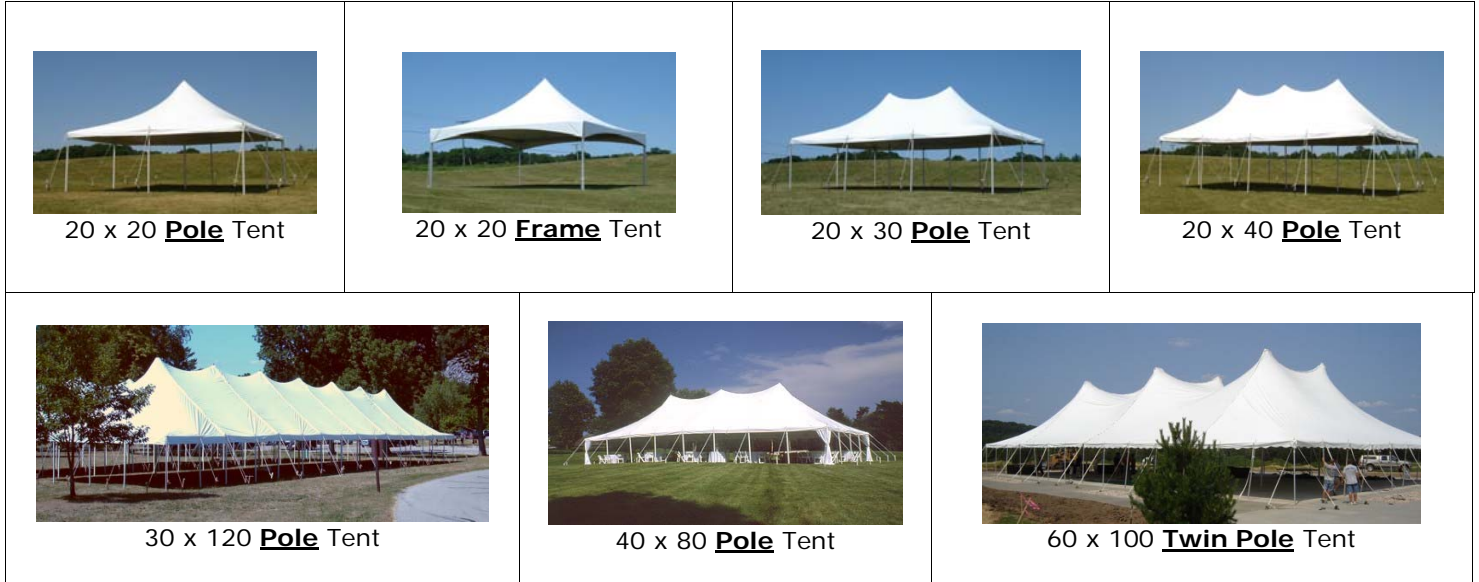

The tent should be cleared of any tables / chairs / other items within the perimeter of the tent so our takedown is accomplished efficiently. Sidewalls should be under the tent so they are found easily and returned. Any decorations or other objects attached to the tent should be removed.

What does the tent look like?

The side poles are staked out approximately 4-5 ft with heavy-duty metal stakes. Inside the perimeter of the tent is rope that is used to attach the walls if necessary. All of our tents have a white background with a contrasting stripe in the following colors:
