# Poolside Cabanas

*Offer poolside privacy for your guests!*

*Your guests will enjoy the comfort, protection and privacy provided by our Poolside Cabanas!*

Raise guest-satisfaction! Transform your poolside area into a shaded, fun-packed and comfortable environment by raising a row of cabanas around the perimeter. Perfect for an intimate party of two, a place to gather for a larger group or a safe place for the kids to take a rest.

And once they're up, they'll stay up. Our cabanas are engineered to withstand high winds and resist sagging even under heavy rains.

Treat your guests with a combination of fun and functionality, and see how quickly your place becomes their favorite destination.

Optional speaker systems and misters.

Inside corner fitting and fabric attachment offers simple yet reliable field assembly.

Underside center peak fitting and optional ceiling fan and bracket.

Promote your brand with your choice of optional graphics on the valance.

Optional television bracket for flat screen or traditional television installation.
