

# KE DURASOL SUNSHELTER TRIUMPH

Wall Mount Retracted

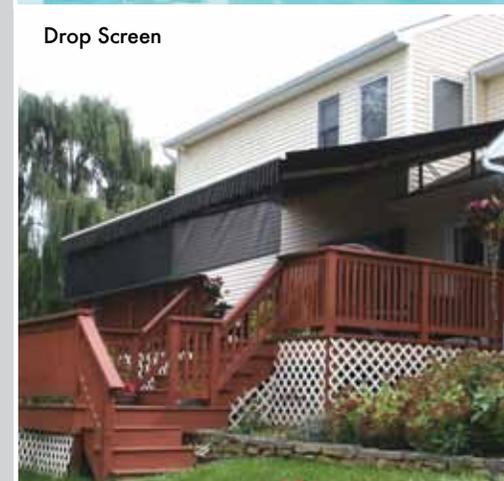

Wall Mount Extended

The SunShelter® family of awnings has what you're looking for. From full-featured awnings to affordable entry-level models. Designed for durability and maintenance-free operation, SunShelter® Awnings offer the finest component features available in the industry.

The **Triumph** is Durasol's heavy duty retractable shading solution and the optimal product when longer projections are needed.

## SPECIAL FEATURES AND BENEFITS INCLUDE:

- At 15'11", the Triumph is Durasol's largest projecting lateral arm awning
- Ability to create up to 475 square feet of shade
- Arms constructed with 4 nylon coated cables for added strength and durability
- Unrivaled 50mm torsion bar and 85mm roller tube, round out Durasol's heavy duty product specifications
- Drop valance available up to 24' and 15'11" projection
- The arms incorporate a high-tensile, double-spring system, quadruple cable, designed to keep your fabric taut. A nylon coating protects the galvanized cables from harsh weather
- Teflon® coated bushings with stainless steel pins keep unit quiet and maintenance free
- Aluminum hood available
- Assembled with TÜV registered components
